

SUMMARY

This course covers general information regarding customs and immigrations procedures in ICAO signatory countries. It is based on ICAO Annex 9 – Facilitation.

APPLICABILITY

Countries not signatory to ICAO SARPs or countries that are classified as war zones may not comply with the information contained in this course. It is the responsibility of the operator to ensure there is a complete understanding and compliance with any requirements from non-ICAO countries.

TARGET POPULATION

The Pelesys International Customs Procedures course is designed for operators and their flight crew who are engaged in international flight operations.
